## WELCOME TO SAMA...

**Meera Keshav**, a graduate of University of Texas in San Antonio, received her Bachelor of Arts in Political Science in 2011. She has held several customer service and sales positions over the years to include Sony and Jessica McClintock. In 2008, she was granted an internship with a local

congressman. In December of that same year, she was asked to go to Washington D.C. to help with the Congressman's legislative office. Meera is actively involved with a local young adult Political Action Committee (PAC) where she has held various positions including secretary and political endorsement committee vice chairwoman. She is also actively involved with Amnesty International USA where she served as president of her college chapter and student area coordinator of San Antonio and Austin. Meera has a genuine interest in music and hopes to make San Antonio Music Academy a local leader in music education.
