

## Welcome to the Staff Sarah Sirois!

Sarah graduated with a Bachelor in Voice Performance from the Boston Conservatory and is pursuing a Master in Voice Performance and Pedagogy from UTSA.

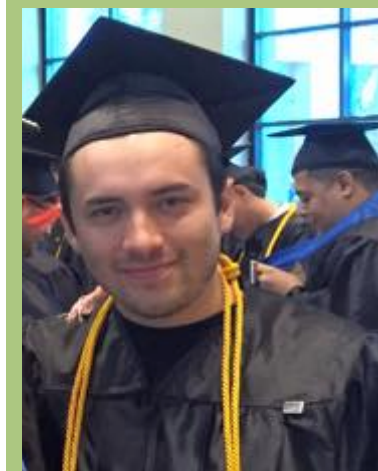

A new year is a great time to reflect, to look back with pride on challenging yet accomplished goals and to look forward with ambition on ways to improve. In 2014, we saw many of our students grow as was evident in their inspiring recital performances. We welcomed great instructors to the SAMA team and saw advancements in our Elite and ensemble

programs. Here at SAMA, one of our core values is to "Be the epitome of excellence and quality in education." This is exactly how we plan to move forward in the new year. San Antonio Music Academy would not be the great community that it is today without each of you. So together, let's strive for excellence in 2015.

## Student of the Month Erica R.

"Erica is always prepared for her lessons and consistently practices. She is a good student at school and is involved in other activities, but is very dedicated to her voice lessons. Her voice is growing quickly and she is building up confidence for performing."
