Instructor Corner

This year of 2015 has been a great one for SAMA. We saw the introduction of several new instructors as well as the welcoming of many new students to the SAMA family. SAMA students performed admirably at our studio-wide recitals at the LOL Comedy Club. This year we also started our piano recitals at RBC, giving students the opportunity to perform on a grand piano. Our ensemble class has made a lot of progress this year as well representing SAMA at several events including: the Teen Arts Fest, Helotes Winterfest, and Bandera Riverfest.

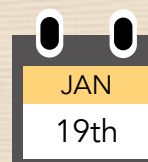

Our performance group, SAMA Elite, performed the national anthem in front of thousands at a Spurs game, Silver Stars game, and Fiesta Nueva during San Antonio's Fiesta events. Here at SAMA we believe in striving for constant growth and improvement. We aim to accomplish this in our private instruction, ensemble classes, performance groups, recital experience, and student staff rapport. We would like to say a big THANK YOU for growing together with us this past year. So please join us in our excitement as we look forward to making 2016 another year to remember.
