Recitals

The recitals were a great success. All SAMA students who showcased their talent did a wonderful job. Thank you to all who came out to support the students. Above are a few pictures from the event. More pictures can be found on our website. On August 21st, we will hold a back-to-school recital. Please see our receptionist, Erica, to sign-up for a time. Please note that there is a \$15 recital fee per family.

Mitzi Ruttan-Leatherland, our voice and piano instructor, has decided to discontinue her teaching here at San Antonio Music Academy to pursue a full time teaching career through NISD. We are very sad to see her go though we wish her great success.
