Spring Recital, Sunday May 4th

What is expected of the student at a recital?

- The student should dress as they would for any formal occasion and arrive 15 minutes before the scheduled start time.
- As we will be recording all performances, parents and guests should remain in their seats to respect the student performing.
- Younger members of the audience should stay in their seats under the firm control of their parents.
- We'd like to ask, if you arrive late, please enter during applause and take a seat at the back of the hall, being as quiet as possible.

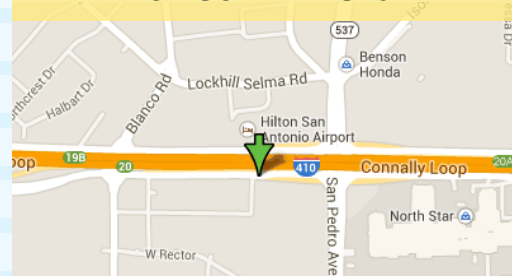

Thank you for your cooperation.
