WHAT IS EXPECTED OF THE STUDENT AT A RECITAL?

Dress your best. The student should dress as they would for any formal occasion and arrive 15 minutes before the scheduled start time.

Remain seated. As we will be recording all performances, parents and guests should remain in their seats to respect the student performing.

Arrive early. We'd like to ask, if you arrive late, please enter during applause and take a seat at the back of the hall, being as quiet as possible.

*Thank you for
your cooperation!*
