

SAMA is turning 15 years old!

What started with just a few students in 2010 has grown into a wonderful community of nearly 800 students. Thank you to our students and their families for choosing SAMA for your music education. We are deeply grateful to have been part of so many students' musical journeys, witnessing their growth and accomplishments over the years.

None of this would have been possible without the dedication of our amazing instructors, whose passion for music and education shines through in every lesson. Thank you as well to our remarkable admin team, both past and present, who have all played a crucial role in SAMA's growth.

Thank you all for being part of this journey! We will continue to strive for excellence in the years to come and look forward to sharing this time with you.

congratulations!
